Candle Arches » Illuminated inside

Candle Arch - Village Seiffen - 102 cm / 40 inch

Model: 002-12-000

Manufacturer: Müller Kleinkunst

Productlink: <https://www. erzgebirgepalace.com/info::1163.html>

Candle Arch (Schwibbogen) by Müller Kleinkunst Seiffen/Germany with many interesting details and beautiful natural colors. The cloud-design is a typical and registered Trademark for Müller Candle arches. The illumination of the buildings makes it very special and underlines the festive atmosphere that is generated by this arch. The Arch runs on 230 Volt. Please check out our supports for displaying your Candle arch (Categorie: Candle arches/Accessories).
