Smoker - Jug Silver - 10,5 cm / 4.1 inch

Model: 090-04-030006H

Manufacturer: Huss Räucherkerzen

Productlink: <https://www.erzgebirgepalace.com/info::13068.html>

The functional metal jug is a essential and beloved part of many households. But it also works great as an incense cone holder: The air circulation can be controlled with the cover on the back - the more it is closed, the slower the incense cone burns down.

Made entirely out of metal, fireproof.
