Model: 075-01-03001

Manufacturer: Näumanns

Productlink: <https://www. erzgebirgepalace.com/info::13531.html>

The prizewinning KAVEX Nativity line by Näumanns from Seiffen comes in a modern design and a color scheme of natural wood, bright white and festive silver. The figurines' heads are connected to the body with a flexible aluminium wire, that can be bent to a position of choice. The human figurines' hands and the ears of the animals can be adjusted in the same manner.
