City Light Dresden - 69x32 cm / 27.2x12.6 inch

Model: o84-St-Loo8

Manufacturer: Schlick & Türk

Productlink: <https://www.erzgebirgepalace.com/info::14681.html>

The City lights by Schlick & Türk are delightful motive lights with multi-colored LED illumination. The fretwork shows impressions of Hamburg city.

It is illuminated indirectly by an extremely durable LED strip.

With the remote control included you can choose between sixteen different colored light. There are also four modes for a constant change of colors, from a rather quick change ("Flash") to a soft fade over mode ("Smooth").

The remote control is powered by a coin battery (type CR 2025 3V), that is included in delivery.

The city lights are great modern decoration highlights, that brings your favorite German city to your home throughout the year.
