Lighted House Farm with Gateway

Model: 149-LH-01024

Manufacturer: Häuselmacher Naumann

Productlink: <https://www. erzgebirgepalace.com/info::19422.html>

This miniature building comes from the small family-run workshop of Roman Naumann in the East Ore Mountains. Here these houses are created with great knowledge about historic half-timber construction, and manufactured by hand out of beech wood.

The house's windows are made of paper, and can be illuminated from inside with an LED tealight. The tealight is not included in delivery, but is available separately in our shop.
