Candle Arch - Bog Oak with Glas and Red Fir Tree - 79x1...

Model: 001-75-892

Manufacturer: KWO

Productlink: <https://www.erzgebirgepalace.com/info::7701.html>

This is a modern candle lightarch by KWO Olbernhau. It runs with 230 Volt. The fine glass elements create an impressive atmosphere when enlightened by the warm white LED lights at the backside of the arch.

PLEASE NOTE: The figures shown on the picture are not included. They can be bought optionally.

You can find more small smokers here.
