This smoker belongs to the " Tiny Fellows" edition by the long-established manufacturer KWO Olbernhau. With this charming figurine series, KWO has expanded their famous assortment of smokers by a smaller version. In terms of quality, the handmade " Tiny Fellows" are in no way inferior to their bigger brothers and sisters though. Whether as gifts or for your own collection - you will love those little ones, that are small but excellent.

The bride is not a smoker, but just a wooden miniature.

The groom smoker shown on the last picture is not included in delivery, but available separately in our shop.
