The story of the Three Musketeers is a story of friendship and loyalty that has not lost meaning until today. A common term for a strong bond between friends, the words "One for all and all for one" were made famous by these four friends. They all actually existed and fought for the French King back in their days. Porthos is one of the Musketeers and was recreated as a beautiful Steinbach nutcracker. He just saved the stolen jewelry and is dressed in a very opulent manner. Please note that Steinbach items might slightly change in design from time to time. The item you receive will not always be 100% the same as shown on the picture.
