This forest gnome is placed on a little board, which gave the designers the possibility to create a piece of the gnome-world. The gnomes feel especially comfortable in their natural surroundings - and you can place a piece of the ore mountain nature in your living room. Please note that due to the fact that the beard is made of natural fur the color of the beard will be gray or brown or in between. Also the color will not necessarily be the same as shown on the picture.
